

Matson is pleased to announce an enhanced vessel deployment with the addition of an 11<sup>th</sup> ship to provide greater capacity and scheduling flexibility for our customers.

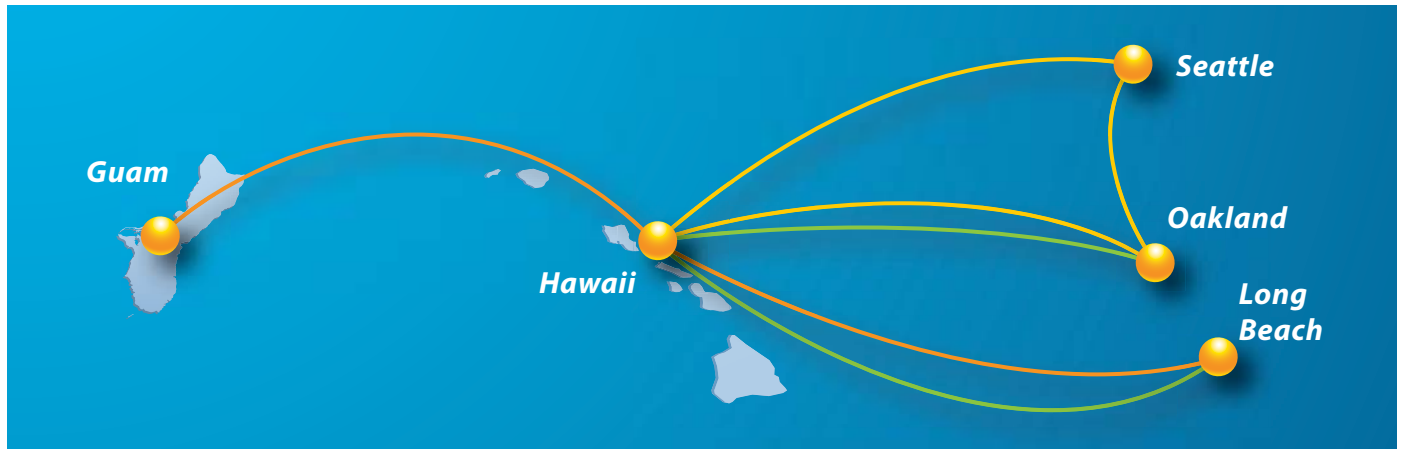

### **Highlights Of The Enhanced Service Include:**

- **Addition of an 11<sup>th</sup> ship to provide greater capacity and scheduling flexibility for our customers**
  - \* *Increased container capacity, system wide*
  - \* *Increased capacity from Oakland and Long Beach for rolling stock and autos*
- **Two weekly direct sailings from Oakland to Honolulu**
  - \* *Direct sailing every Tuesday*
  - \* *Direct sailing every Friday*
- **Weekly service from Seattle**

With our enhanced vessel deployment, adherence to cut off times becomes more important than ever. Please refer to the revised cut-off schedules included.
