- **Rates apply on USTRANSCOM shipments of U.S. Military Household Goods tendered in ocean containers.**
- **Rates may apply on Commercial Household Goods.**

[1] Rate applicable only when shipment is consigned to, or payment of freight charges are billed to, a Motor Carrier or a licensed Household Goods mover, as authorized by the Surface Transportation Board.
[2] Rate applicable on a straight load of household goods.
[3] Rate as shown applicable when a used motor vehicle is co-loaded in the container with household goods. See Carrier Rule 777.
[4] Ocean Transportation Rates are subject to Bunker Adjustment Factor of 14%. Rail Transportation Rates are subject to Rail Fuel surcharge of 14%. Adjustment Factor and Rail Fuel will adjust in accordance with fuel costs.
[5] The following may be shipped in the container with household goods in any quantity. The rate to apply will be the applicable household goods rate in the item: All Terrain Vehicles (ATV's), Boats and Boat Motors, Motorcycles, Snowmobiles, Utility Trailers, Watercraft (small, to include jetskis.)
[6] Released Value not to exceed $0.10 per pound, per article.
[7] One used motor vehicle may be included for shipment and rated under this item, provided that the fuel tanks are completely drained and provided such is noted on the bill of lading. Such vehicle must move in the closed container with the household goods and be legally registered, possessed or leased by the owner of such household goods. Additional vehicles loaded in the same container or tendered separately from the container shall be subject to the applicable rates in the Carrier's general commodity tariffs.

- **Rates apply on USTRANSCOM shipments of U.S. Military Household Goods tendered in ocean containers.**
- **Rates may apply on Commercial Household Goods.**

[1] Rate applicable only when shipment is consigned to, or payment of freight charges are billed to, a Motor Carrier or a licensed Household Goods mover, as authorized by the Surface Transportation Board.
[2] Rate applicable on a straight load of household goods.
[3] Rate as shown applicable when a used motor vehicle is co-loaded in the container with household goods. See Carrier Rule 777.
[4] Ocean Transportation Rates are subject to Bunker Adjustment Factor of 14%. Rail Transportation Rates are subject to Rail Fuel surcharge of 14%. Adjustment Factor and Rail Fuel will adjust in accordance with fuel costs.
[5] The following may be shipped in the container with household goods in any quantity. The rate to apply will be the applicable household goods rate in the item: All Terrain Vehicles (ATV's), Boats and Boat Motors, Motorcycles, Snowmobiles, Utility Trailers, Watercraft (small, to include jetskis.)
[6] Released Value not to exceed $0.10 per pound, per article.
[7] One used motor vehicle may be included for shipment and rated under this item, provided that the fuel tanks are completely drained and provided such is noted on the bill of lading. Such vehicle must move in the closed container with the household goods and be legally registered, possessed or leased by the owner of such household goods. Additional vehicles loaded in the same container or tendered separately from the container shall be subject to the applicable rates in the Carrier's general commodity tariffs.
